Radiance Splendour

These premium homes have been designed to improve the quality of community living. As a perfect blend of a villa and an apartment, they are a good option for individuals who are looking for the experience of a gated community with the advantages of a villa. Comprising a jogging track, party lawn and areas for outdoor sports like cricket and badminton, the complex provides ample opportunities for social and community interaction without compromising on privacy and independence.

Some of the highlights of Radiance Splendour

- Premium gated community of 63 stunning villas and exclusive state-of-the-art club house
- Private terrace in every house provides ample open space to the owners to enjoy privacy and comfort
- Party lawns and amphitheatre encourage conducting group events and activities
- The OSR converted into a large green buffer helps in maintaining privacy by nestling the villas away from the road. At the same time, it also acts as a private landscaped space, stretching from the entry to the activity zones and the club house
- The common pathways have a visible connectivity with the balconies of the houses
- The club house overlooks the pool and the lush green zone beyond offers a beautiful view from the club house.

Highlights & Amenities

VAASTHU COMPLIANCE

- All the units have the Master Bedroom in the South West
- No units have West facing doors
- Toilets are oriented North - South to avoid facing East
- Kitchens are in the South East and North West

OPEN SPACES

- Every unit has a private landscaped porch and a private terrace on top floor for intimate gatherings
- Most of the windows are placed on South and East sides which allow maximum wind movement and help create a nice ambience in the living space

All balconies open out into the connecting landscaped passages leading to individual porches and thus provide visual connectivity to all pathways. This gives the owners privacy in their homes and also enables them to remain visually connected with the surroundings.

INTERIOR PLANNING

- All Living rooms secluded from any crossover spaces.
- Bedrooms designed so that no visitor in the Living spaces can have direct view in to the Bedrooms.
- Open to sky spaces next to Dining creates extra space during parties for seating or open buffets etc.
- Master Bedroom has a large Dressing room which can be turned into a luxurious wardrobe or kids' zone.
- Private terraces do not face each other
- Common Wash near Dining provided in all units

KITCHEN

- All Kitchens have drain board provision in the Utility as well, to maintain wet and dry areas.
- Kitchen and Dining areas have been segregated to prevent the problem of odour in the Living areas.

INTERNAL SPACE DESIGN

- Internal spaces have been designed to prevent any dead spaces.
- Also, the plan allows for ample customisation to meet specific lifestyle demands

Note: Shape of the swimming pool is only indicative and is subject to change. Colour schemes may change as per Architect's approval.
